

3D Printing Facility – User Waiver and Consent Form

Name:	
TMU Email:	
Student/Employee Number:	
Department/Program:	
Date:	

Purpose of use

I will use the 3D printing facility only for approved academic or research (non-commercial) purposes.

Compliance

I will use the 3D printing facility in accordance with applicable TMU Policies, the 3D Printing Safety Program, and the laws of the Government of Canada and the Province of Ontario. In particular, I will not use the 3D printing facility for any of the following uses:

- To recreate anything in violation of another person's copyright, patent, or other intellectual property rights, unless TMU receives a license or other valid and legally binding written permission from the rightsholder to do so;
- To manufacture or recreate weapons, firearms or other prohibited items in violation of the *Criminal Code* (R.S.C., 1985, c. C-46) and the *Firearms Act* (S.C. 1995, c. 39);
- To manufacture or recreate drug paraphernalia, items or accessories as defined in the *Controlled Drugs and Substances Act* (S.C. 1996, c. 19);
- To print security-sensitive items which may compromise personal or building security at TMU;
- To print objects that could be used to harass, intimidate, or offend others; and
- For personal or commercial use without prior written authorization from the Office of the Vice-President, Research and Innovation.

I understand that any violations of this Waiver & Consent Form may result in loss of access, disciplinary action, or legal consequences.

Assumption of Risk

I acknowledge that use of the 3D printing facility carries certain risks, including, but not limited to:

- Contact with participants or other people or injuries arising from their actions;

- My participation and/or use of equipment beyond my own skills and abilities; and
- The use, misuse, failure or malfunctioning of equipment.

I freely accept and fully assume all such risks, dangers and hazards which may result from these activities.

Safety & Responsibilities

I have undergone the appropriate training in order to access and use the 3D printing facility. Accordingly, I will follow all instructions provided for use of the 3D printing facility, use the provided materials safely, maintain the workspace, and report any issues in accordance with the 3D Printing Safety Program and applicable TMU policies.

Release of Liability

I accept full responsibility for my actions and printed items. I hereby release TMU from any claims or damages arising from my use of the 3D Printing Facilities, except for those resulting from TMU's gross negligence.

Declaration

I have read, understand, and agree to comply with this waiver. I understand that any violations may result in loss of access, disciplinary action, or legal consequences.
