

Northwest Territories, Canada Digital Atlas.

Released September 2002. Published by World Wildlife Fund Canada

User Agreement:

BY OPENING AND USING THE FILES ON THIS CD-ROM, YOU ARE AGREEING TO THE TERMS OF THESE CONDITIONS:

1. The Data provider, as listed in the DATA DESCRIPTION table, is the owner of the proprietary rights in the digital data unless indicated otherwise.
2. WWF-Canada has not verified the data on the CD-ROM and is not responsible for inaccuracies that may exist in the data. To obtain more information please refer to the relevant data copyright clearances and metadata, or contact the data provider.
3. The User is encouraged to contact the original data provider to access the most current version of the data.
4. The User may create new representations of these data, process, analyze or use these data in the development of derived products.
5. The User may reproduce the data on this CD-ROM for internal use but is encouraged to refer interested 3rd party groups to WWF-Canada for a copy of the Atlas or to the original data providers for a copy of the data. Refer to the data provider's data copyright agreement for specific data use limitations.
6. The data has been provided free-of-charge and may NOT be sold or leased without contacting the original provider or owner of the data.
7. The User must ensure that all datasets are correctly referenced and used according to the data provider's specifications. Please refer to the DATA COPYRIGHT AGREEMENTS table for proper citations and disclaimers.
