

## Ryerson University Library **Academic Support and Services for Faculty and Graduate Students**

**We are here to collaborate on research and support your academic work.**

### **Expand Your Impact**

- Request research skills instruction from a subject librarian.
- Provide course readings with the Library's digital course reading (eReserve) service.
- Direct accessible formatting to Library Accessibility Services.
- Access support to create Open Educational Resources (OER).

### **Expand Your Research**

- Identify journals for publication of your research.
- Discover emerging best practices for publishing scholarly communications.
- Access over a million scholarly resources including digital, streaming and print collections.
- Develop projects, get help with research data management (RDM), and connect with other researchers and SRC.

### **Expand Your Ideas**

- Learn more about SRC dissemination, impact and reach.
- Publish open access scholarship through the Library's Digital Repository.
- Learn more about copyright, and your author rights.
- Join the interdisciplinary Library Collaboratory and find collaborative research partners.

### **Expand Your Knowledge**

- Access a rich collection of unique publications, photography materials, and cultural history objects in Special Collections. Email: [asc@ryerson.ca](mailto:asc@ryerson.ca)
- Connect with the Archives and discover historical records of Ryerson University. Email: [asc@ryerson.ca](mailto:asc@ryerson.ca)
- Explore GIS, map, statistics and data resources through the Geospatial Map and Data Centre (GMDC). Email: [librdata@ryerson.ca](mailto:librdata@ryerson.ca)
- Register for virtual workshops, lecture series and discussion groups.

**“I'm very thankful to the well-informed and approachable Library Research Data Management, who helped us complete a data management plan, well-received by the government, within just 3 months. I strongly believe their support services are fundamental for Ryerson's increasing success in innovative research.”**

Dr. Marshia Akbar, Senior Research Associate,  
Canada Excellence Research Chair in Migration and Integration, Ryerson University
